What Are You Looking At? Will Gompertz boken PDF

Penguin presents the unabridged, downloadable audiobook edition of What Are You Looking At? by Will Gompertz, read by Roy McMillan. What is modern art? Why do we either love it or loathe it? And why is it worth so much damn money? Join Will Gompertz on a dazzling tour that will change the way you look at modern art forever. From Monets water lilies to Van Goghs sunflowers, from Warhols soup cans to Hirsts pickled shark, hear the stories behind the masterpieces, meet the artists as they really were, and discover the real point of modern art. You will learn: not all conceptual art is bollocks; Picasso is king (but Czanne is better); Pollock is no drip; Dali painted with his moustache; a urinal changed the course of art, why your 5-year-old really couldnt do it. Refreshing, irreverent and always straightforward, What Are You Looking At? asks all the basic questions that you were too afraid to ask. Your next gallery trip is going to be a little less intimidating and a lot more interesting.
